NEW KENSINGTON HIGH SCHOOL

THE TALEOKEN

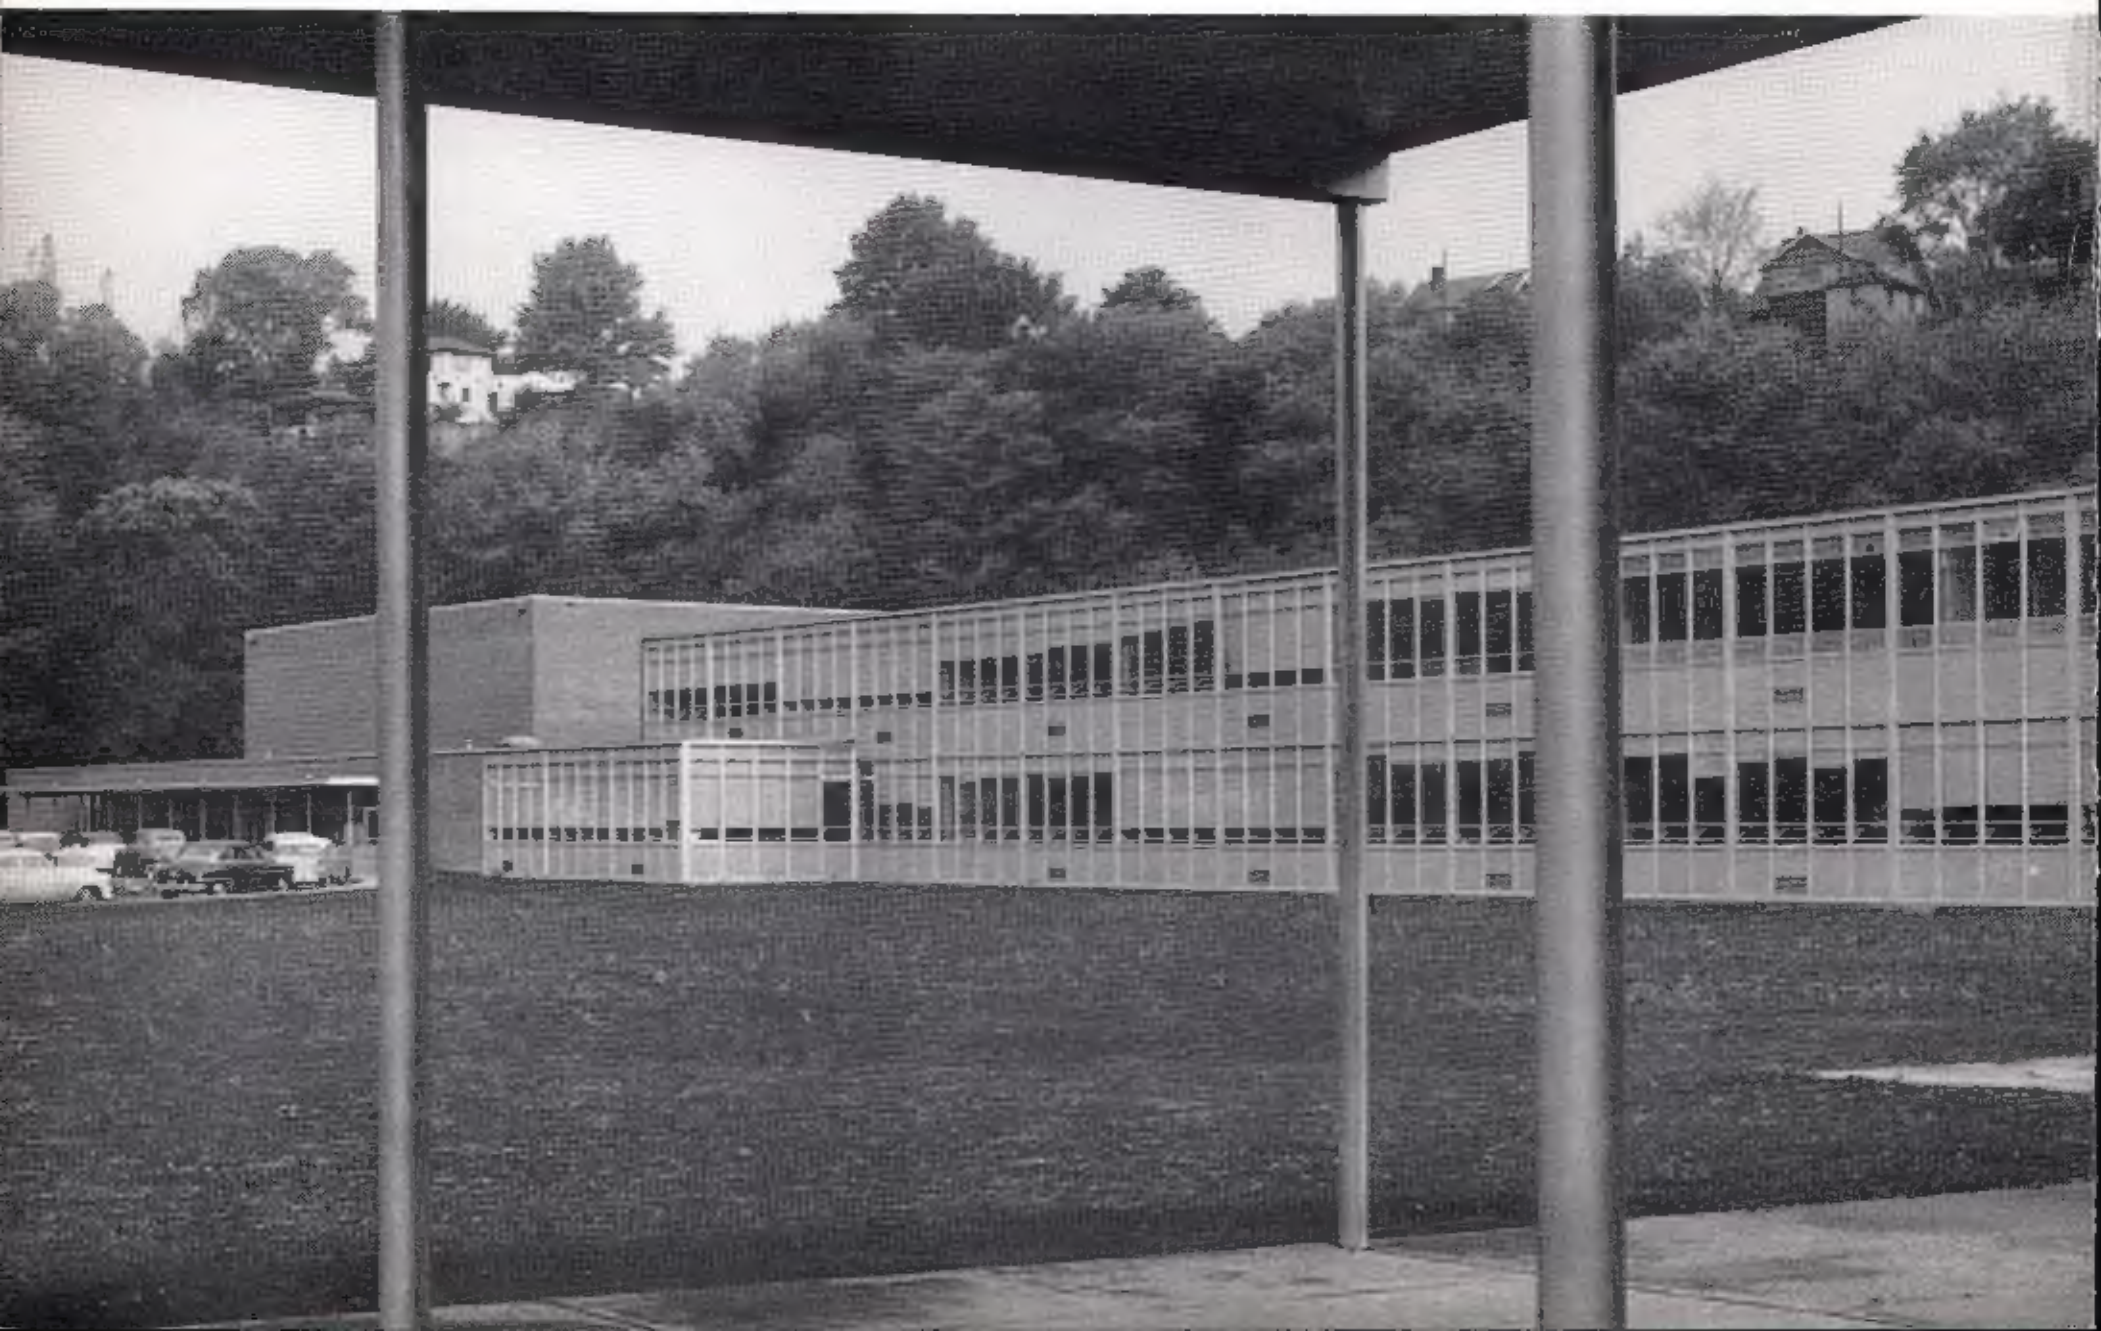

1958

NEW KENSINGTON, PENNSYLVANIA

OUR NEW SCHOOL

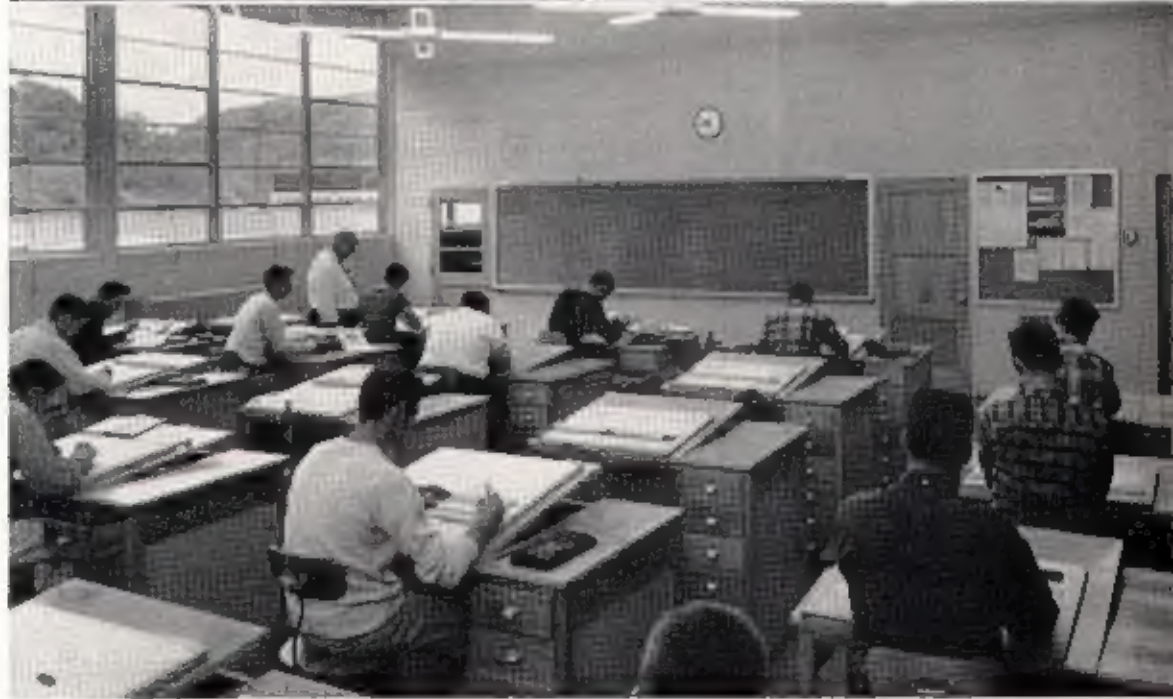

The new New Kensington High School is one of our greatest sources of pride in this growing community. Construction began on July 10, 1955, when Pat Sharkey and Eugene Collodi helped to break ground for the building. Later Virginia Morgan and Bruce Shaw assisted in laying the cornerstone. The school is located in a beautiful valley which is one of the scenic spots of the area. It is fully equipped with the most modern facilities available. Some of the highlights of this building are the spacious cafeteria, the modern gym, and the comfortable auditorium. Although it has had no time to build up a tradition, this new building is enveloped with a warm, friendly atmosphere.

The library proves to be a center of learning at Ken Hi.

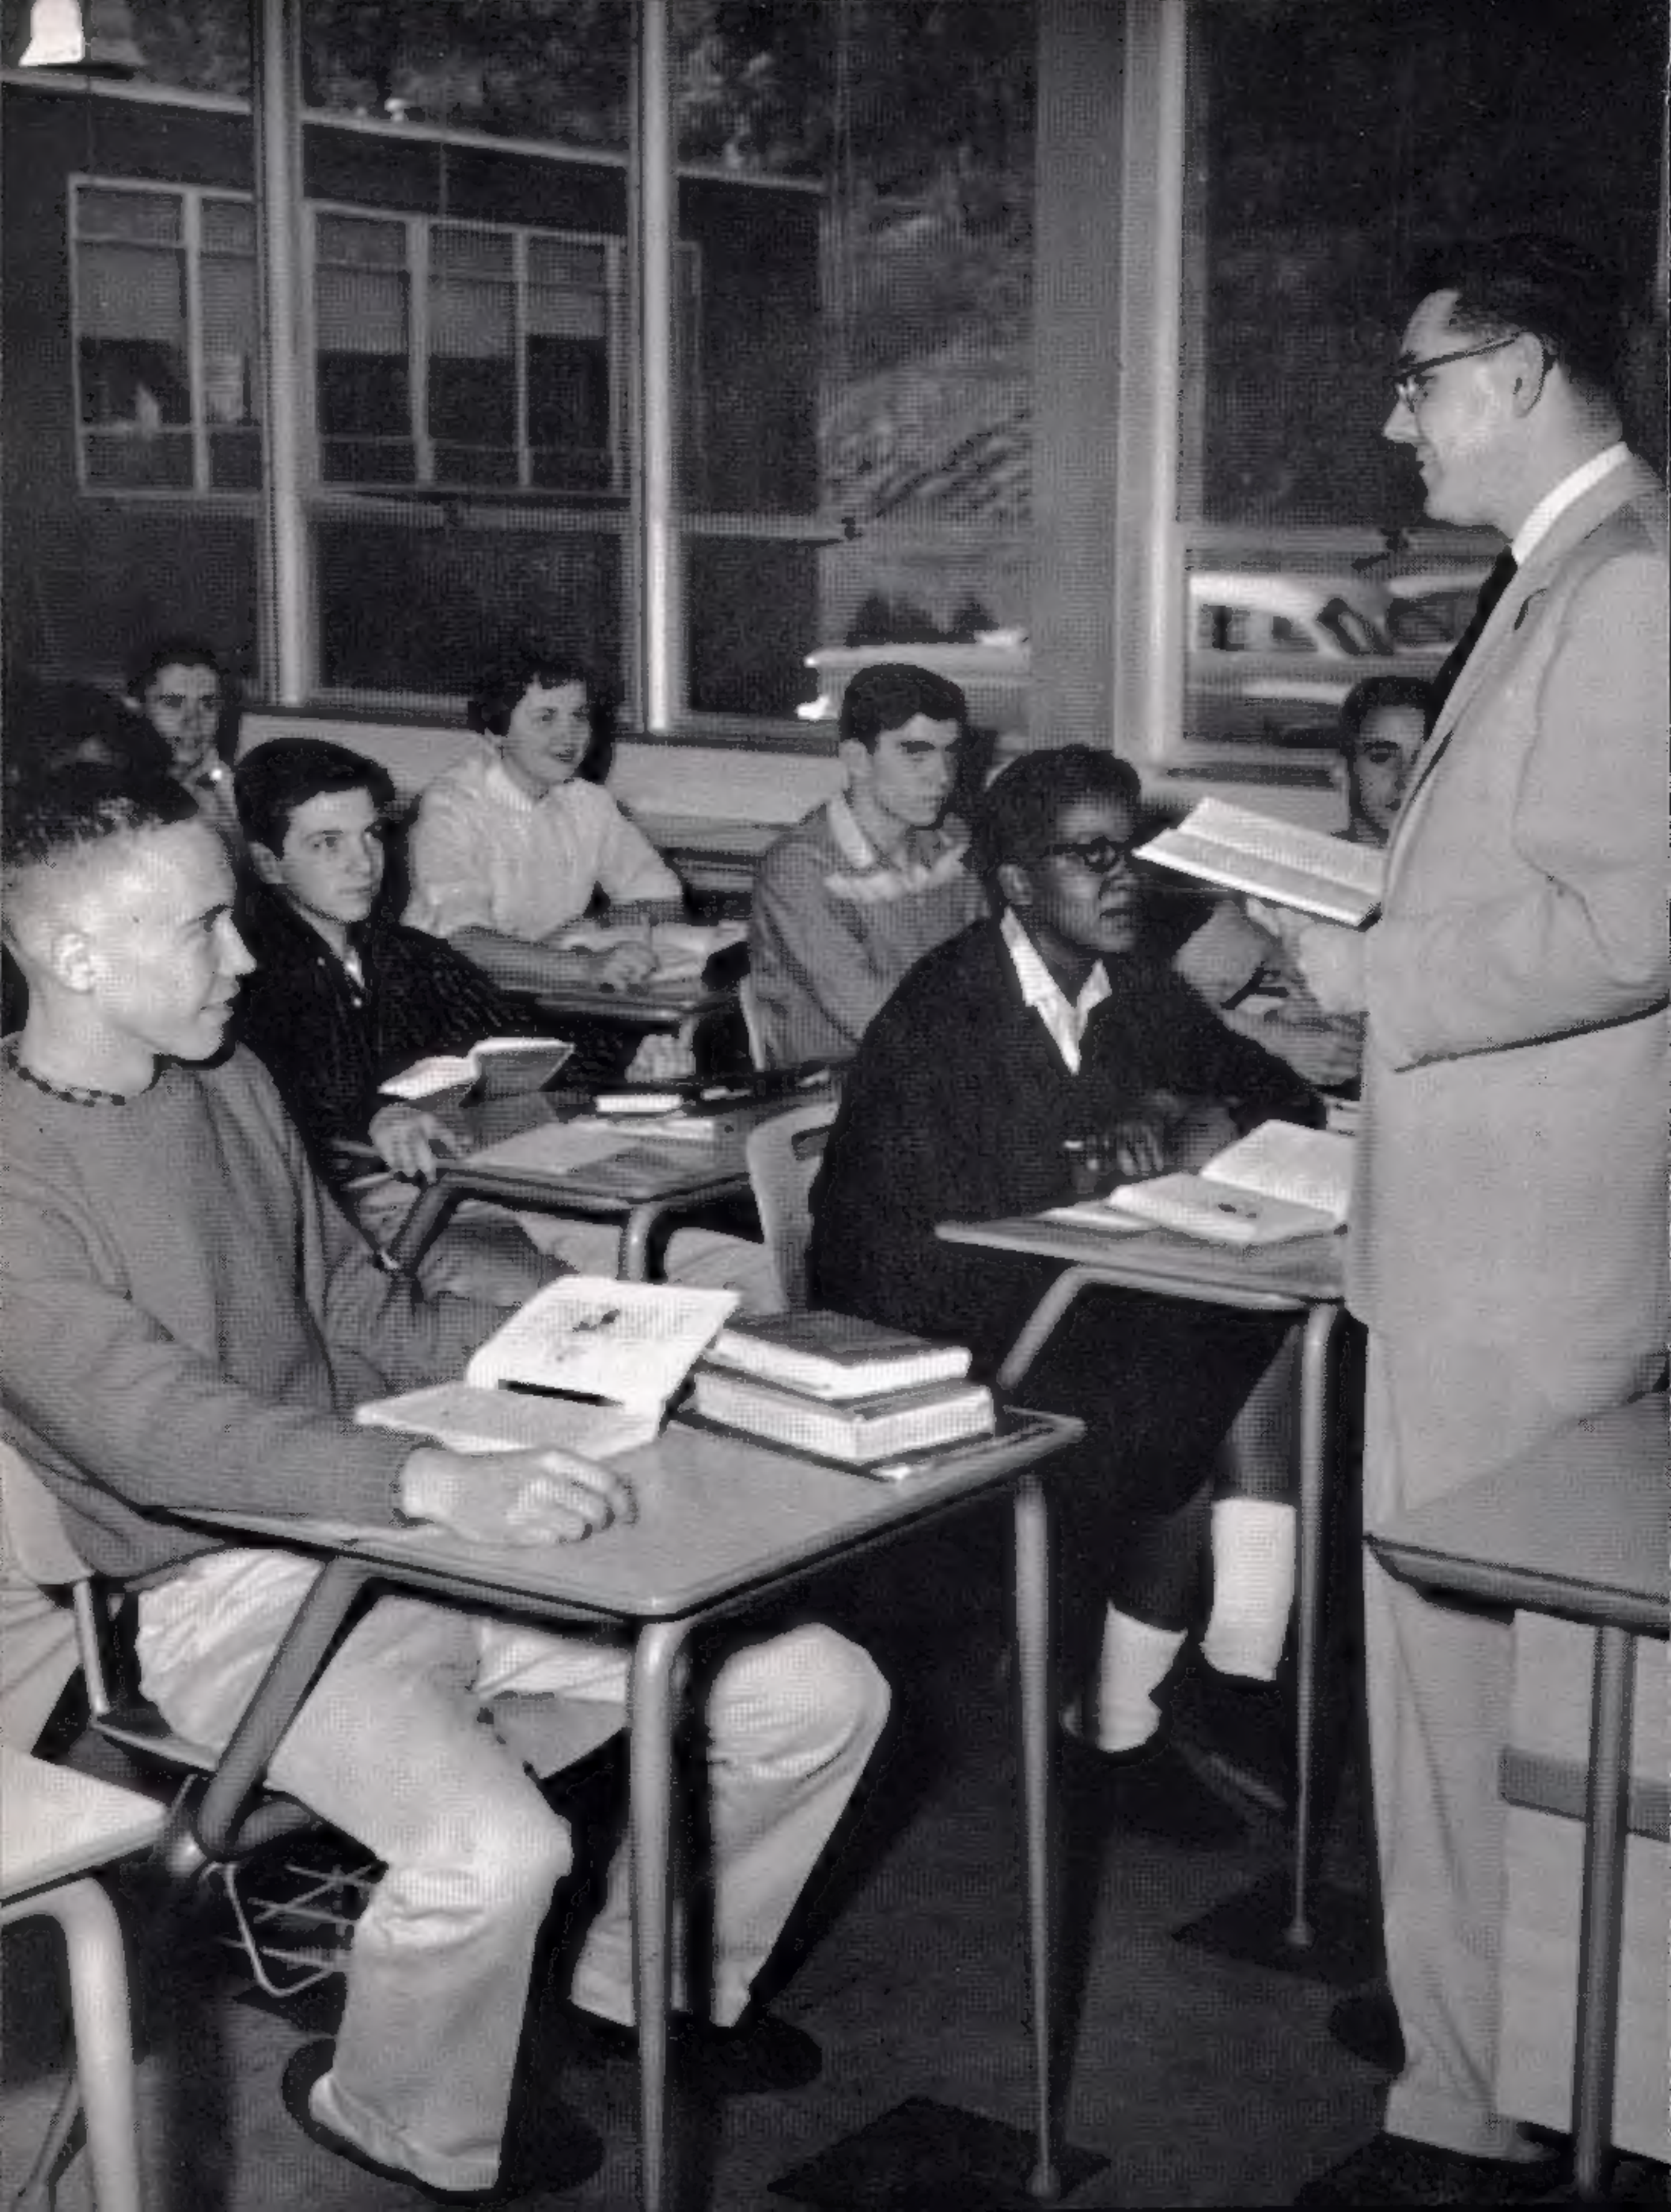

Future draftsmen prepare for their careers.

The physics class works intently as Mr. Walter looks on.

Miss Casillo supervises a typing class.

The energetic Junior Class found this year to be filled with many activities. The three main activities include the candy sale, magazine sale, and the Junior-Senior Prom. The candy sale commences in late September and is continued until \$2,000 is obtained. The

magazine sale begins in mid October and continues for four weeks. The climax of the year's work is, of course, the Prom which each class tries to make as beautiful and original as possible.

The junior girls sold a lot of candy to finance the Prom.

THE SENIOR CHOIR

Each of the vocal musical groups is directed by Miss Bruno. One of the outstanding accomplishments of the *Senior Mixed Choir* this year was their appearance on television station WQED. As another attraction in our new building the Choir was host to the Valley Choral Festival. The *Junior Mixed Choir* is an ambitious group of students in training

for the senior group. They have aided in many of the music department projects. The *Sophomore Girls Chorus* includes any sophomore girl who wishes to improve her singing. This group performs at the Christmas and spring concerts. Many of the girls eventually become members of the Senior Mixed Choir.

THE BAND

This year the Band began its busy schedule with a full week at the Booster's Camp, during which they practiced for the coming year's activities. These activities have included performances at Kennywood, the Steeler's football game, the Kiwanis Tri-State Band Festival,

pep rallies, and the football games. The Band has been chosen to represent the State of Pennsylvania on its dedication page in the national high school band book, "First Chair of America."

One of the lighter moments at Band Camp is pictured in this scene.

THE DANCE BAND

The Ken Hi Dance Band is a very active organization. Under the direction of Mr. John Stephens, it has played for assemblies, pep rallies, and the talent show. Besides the many

practices at Band Camp, the Dance Band practices once a week so it may be ready for further engagements.

THE CHEERLEADERS

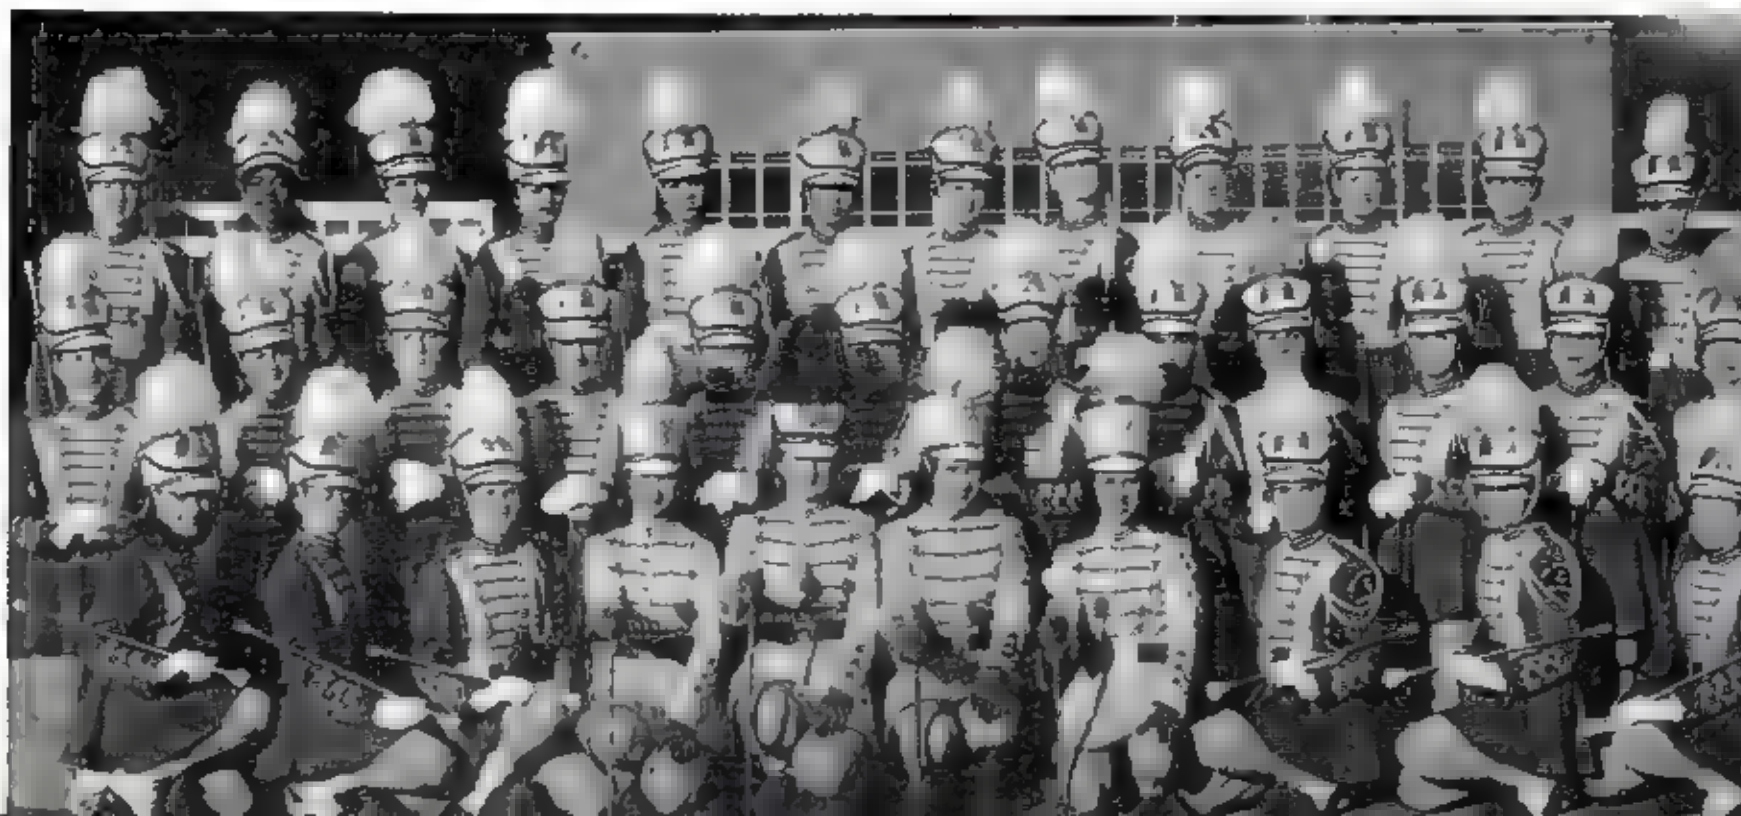

"We're from Ken Hi, couldn't be prouder!" is the cheer that was chanted quite often by Sylvia Meyers, Pat Mischak, Norma Sams, Carolyn Bishop, and Marilyn Bishop, seniors, and Barbara Waugh, a junior; Ken Hi's Varsity Cheerleaders. Their reason is evident because they cheered on to victory a magnificent championship football team during the 1957-58 season.

THE MAJORETTES

"Here's to the Raider Majorettes who do the cutest steps!" This is what the Cheerleaders sang every time the Rockettes presented their shows at the games. And how true it is! The Majorettes are trained by Mr. Stephens and Mr. Babalis.

THE COACHES

Through their tireless efforts and constant drills these coaches led Ken Hi's sturdy men to an undefeated season.

VARSITY FOOTBALL-1957

It goes without saying that the 1957 football season was one that will long be remembered in the Ken Hi annals of sports. It was our first undefeated, untied season in nearly a decade, and the schedule was an unusually rough one. The season was one of

the most heart-breaking for the team and the student body, too, as a siege of illness prevented the squad from completing their full number of scheduled games, thereby closing the beckoning doors to the Class AA championship.

Although Ken Hi wasn't the section winner this year they still turned in an admirable record. By compiling a 15-9 overall record and a 9-3 mark in league competition they merited a strong second place. We lose along with regular George Easley, three year veterans Jack Rosak and Nojo Jones, who were

the nucleus of the team. They along with Thaxton, Herman, and Holeva composed Coach Slosky's hard driving Raiders. Veteran managers Fronduti and Haddad too will long remember the excitement and thrills of this past season.

JUNIOR VARSITY BASKETBALL

This year's Junior Raiders split even with an eleven and eleven mark, displaying the qualities of a fine team many times. Under the tutorship of Mr. Marshall, their new coach, the boys showed competitive spirit and

good sportsmanship. Perhaps the team did not win as many games as they would have liked, but the members tried hard whether they were two points ahead or 20 points behind.

TENNIS-1957

The 1957 season was the best in several years for Mr. Vorlage's Racketeers. They took second place in the section, losing only to Tarentum in league play. This coming season "the boys of the court" are looking forward to another successful season.

.... It Pays **TO WORK AT MURPHY'S**

My name is Betty and I have a story which I think will interest many of you. It's about my experience in the retailing field. Believe me, Variety Store business is fast-moving and interesting. Each counter is a store in itself.

Here at Murphy's one learns retailing from the bottom up! I started out as an extra salesgirl, working every day after school. When I was graduated, I was fortunate to be placed in charge of a counter. I never knew how really interesting this work could be . . . it's just like having a shop of my own.

I'm growing here, taking more responsibility as I go. There's still more room for advancement . . . I can work myself into a position of merchandise buyer, section supervisor or bookkeeper in the office. Soon I hope to be selected to train for the job of Personnel Directress in a large new Murphy Store.

All of us at Murphy's have an equal chance to better ourselves. From what I can see Murphy's is tops in training . . . and there isn't a store in town to beat Murphy's on Employee benefits!

If you're ambitious to make a "go" of retailing, join the "Gang" at Murphy's soon as you can.
